ROSEMARY 22nd x, 1949 Nebraska State Fair grand champion female and a daughter of Collynie Front Rank x. She was purchased from us by Pecharich Brothers, Good Hope, Illinois in the National Polled Shorthorn Congress Sale at Sioux Falls, South Dakota. She is the dam of the bull, Jug-gler's King 8th x, that they recently exported to Australia for \$4,000.

From the Owner

We wish to extend a hearty invitation to all our friends and fellow breeders and lovers of good cattle to be with us Monday, October 10, 1955, at Cambridge, Nebraska.

We call this a *Polled Shorthorn opportunity sale* because all thirty-five lots of females are mated to our herd bulls or have calves at foot and many of these are remated. Therefore, they are close to profit. Many winning 4-H calves and winners in the breeding classes can be obtained from this group of females.

The 16 bulls offered are choice individuals and good colored. They have been developed in the open and are now ready for service.

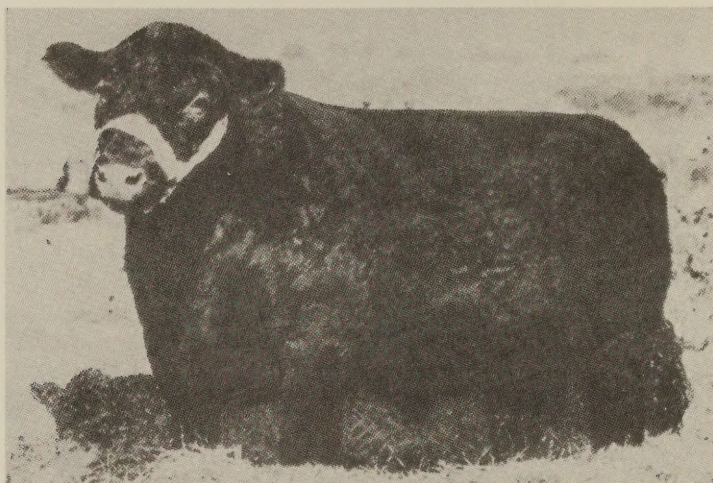

Forty years ago this October, F. T. Brown, the senior member of this firm, began with two purebred Shorthorn females. The business of breeding purebred cattle has extended our horizons and has brought us many friends and customers from all parts of the United States. Polled Shorthorns have been good to us and we value highly the many fine friends we have made.

Sincerely,

F. T. BROWN & SON

Cambridge, Nebraska

F. T. BROWN & SON POLLED SHORTHORN

R B COLLYNIE SUPREME. This son of Collynie Front Rank x was grand champion at the Nebraska State Fair in 1953 by Rocker Brothers of Seward, Nebraska. He is doing a real job for this strong, eastern Nebraska herd.

Comments from the Sale Manager

F. T. BROWN & SON, Stamford, Nebraska, have seen their Polled Shorthorns write much breed history in the past 40 years and cattle bred by them have and are doing stellar jobs in the best of herds throughout America. This sale provides buyers' opportunity to select money-making cattle not highly fitted but with plenty of potential earning power.

The bulls are a good, rugged lot and ready for heavy service. Included are several fine herd bull prospects. One is out of the same dam as the mother of the 1954 Nebraska bred state champion bull. Another is out of the same dam as the champion female at the 1954 East Texas State Fair at Tyler, Texas and shown by Bar L Polled Shorthorns, Waller, Texas.

The females include 24 cows with calves at foot. Many of the calves were sired by Bar L Viking 7th, half-brother to the \$10,000 International grand champion bull, Viking 4th. Other females feature the services of Real Luxury, the 1954 Nebraska champion bull at the State Fair and Square Type, the 1953 Futurity State Champion Bull that has been returned for service in the Brown herd.

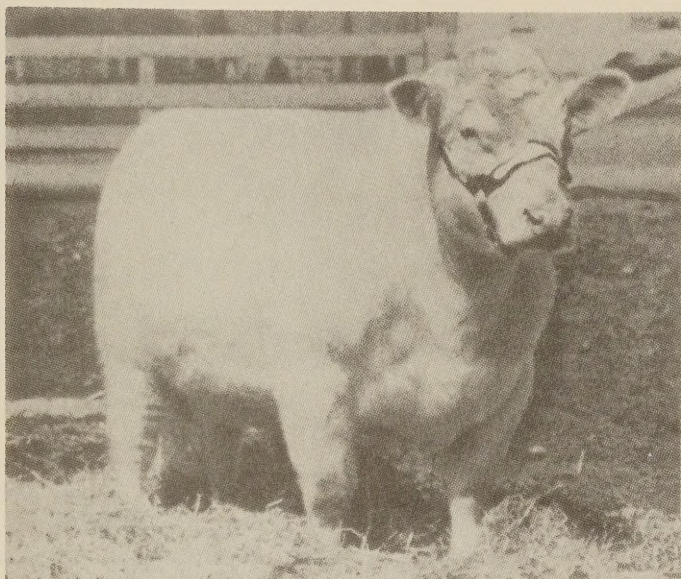

F. T. Brown & Son have always been interested in seeing that their cattle do well for their new owners and one of their biggest thrills has been to see their cattle go to young breeders for the establishment of new herds. There are foundation cattle in this sale and they will sell so that anyone wishing a start in the registered Polled Shorthorn business can do so at prices that will put him in the business on a solid foundation.

We will certainly be looking forward to seeing a lot of our Polled Shorthorn friends at Cambridge, Nebraska on October 10.

THOMAS ANDREWS' HOME TOWN

A man who has been one of our best friends in the Shorthorn business and one of the breed's most loyal boosters for many, many years is Thomas Andrews, Cambridge, Nebraska. Our friendship goes back a long time. My father purchased his first Shorthorn bulls from his father so Andrews' bred Shorthorns played a big part in the establishment of our herd.

Although Mr. and Mrs. Thomas Andrews retired from the active production of Shorthorns several years ago, they still live on their farm near Cambridge and they have leased their pastures to us for several years because they like to have some cattle around to look at.

Thomas Andrews' guidance and advice has been worth a lot to us over the years and we know he has helped a lot of other people along the Shorthorn route.

We would like to take this means of inviting everyone to attend our sale at Cambridge, Nebraska on October 10 and while they are there to spend some time visiting with us and also with Mr. and Mrs. Andrews who are just about as interested in our sale as we are. We know you will like to come to Cambridge because it is Thomas Andrews' home town.
